Subject: Initial Amendment Review, Ziegler Chemical and Mineral, Cowboy/Bandana Project,
M/047/0013, Uintah County, Utah

Dear Ms. Ziegler:

The Division of Oil, Gas and Mining has reviewed an amendment to the referenced Notice of Intention to Commence Large Mining Operations (NOI) received on August 20, 2012, and the following items will need to be addressed before the amendment can be determined complete:

1. A cultural resources survey is needed for the area. There is a possibility that one has already been done and is on file with the Trust Lands Administration.
2. Supply a list of structures that will be used at the site.
3. Submit details on how the shaft will be capped after mining, and include estimated vein width.

Please provide your response as replacement pages to your original NOI, using Form MR-REV, available on the Division's web site at www.ogm.utah.gov.

Please call Leslie Heppler at 801-538-5257 or me at 801-538-5261 if you have any questions about this letter. In reply, please refer to file number M/047/0013. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
